* Per effetto della asportazione di materiale dovuto alla lavorazione, lo spessore dei prodotti levigati risulta inferiore al valore nominale indicato di una percentuale variabile minima, ma non prevedibile.
* Due to the removal of surface material of this process, the thickness of polished products is lower than the nominal value indicated of a variable minimal but not predictable percentage.
* Pour effet de l'enlèvement du matériel due au travail, l'épaisseur des produits polis résulte inférieure à la valeur nominale indiquée d'un pourcentage variable minimal, mais non prévisible.
* Durch die Poltur der Fliese wird Material entfernt. Daher wird die Stärke der Fliese minimal prozentual weniger als der Nennwert.
* Толщина полированной плитки меньше чем заявленная, на минимальный и не предвиденный процент износа, связанный с обработкой поверхности.
